

LUMI

TOMIGUNN

Wild Bird Repellent

Soil Enhancement

GUARANTEED ANALYSIS:

Bacillus Mucilaginosus	5.1x10 ⁷ cfu/g
Bacillus Subtilis	1.28x10 ⁸ cfu/g
Pseudomonas Fluoresces	9.1x10 ⁸ cfu/g
Azobacter Chroococcum	5.0x10 ⁸ cfu/g
Paenibacillus Polymyxa	1.875x10 ⁹ cfu/g
Mentha Spicata Powder	20.5%

PURPOSE STATEMENT:

LUMI is a diverse complex of microbes and natural extracts that repel wild birds from entering the outdoor vicinity where the product is applied, while also improving the soil in the contact area. It creates an environment that wild birds find irritating and uncomfortable, so they simply leave. LUMI naturally digests facies and other organic wastes left by rodents, wild birds, and other pests. It is ideal for golf courses and parks. Under normal conditions, the product lasts up to 90 days. Reapplication is recommended after a precipitation event.

DIRECTIONS FOR USE:

BROADCAST TREATMENT

Use an agricultural pump sprayer or agricultural electrostatic sprayer to apply over the soil and turf you wish to protect.

PERIMETER/BARRIER TREATMENT

For perimeter and barrier protection, extend out 25 feet from the nuisance-attracting structure.

COVERAGE

Mix 2 US ounces of LUMI (dry weight) with 5 gallons of water for every 10,860 square feet of coverage area. Apply every four weeks to ensure maximum protection. It is advisable to reapply after significant or frequent rain events.

FOR BEST RESULTS: (STORAGE & HANDLING)

Store between 40 F and 85 F in a dark place protected from direct sunlight or high heat.

Do not allow moisture to come in contact with the product that is not being used. If clumping exists, break it into useable chunks. The product is still usable and will mix readily with water.

Between uses: close the zip lock seal on the pouch completely and then squeeze all excess air out through one-way valve to avoid clumping. Keep away from children. Do not inhale. Use only as directed.

WARRANTY:

This product is guaranteed to be free of defects of manufacture, production, quality assurance, or other faults, for a period of one year after the date of purchase. If the product is found to be defective, then please return it to the supplier where this product was purchased for a replacement. This guarantee is void where prohibited and/or if this product has not been stored in accordance with the instructions listed herein. Nous Holdings Inc will not be liable for any damage, direct or incidental. Due to many factors that affect performance, Nous Holdings Inc cannot guarantee the effectiveness of this product in use. Buyer assumes all responsibility for safety and use not in accordance with label directions.

ENDANGERED SPECIES CONSIDERATIONS:

Prior to utilizing this product, it is essential to seek guidance from State or local wildlife authorities to confirm that its use does not pose a risk to any threatened or endangered species. When deemed necessary, securing all mandated permits and licenses is the responsibility of the person applying the product.

NOP COMPLIANT:

LUMI is compliant with the national organic program of the USDA.
