

## **TOMIGUNN BIOCELL**

### ***Technical Specifications and Application Instructions***

#### **Product Description:**

BIOCELL is a specialized complex of beneficial microbes designed to enhance the performance and longevity of poultry house cool cells by targeting and mitigating the growth of mold, mildew, fungus and other pathogens.

Pathogenic microorganisms are detrimental to the efficiency of cool cells. Over time, they accumulate and form a biofilm that obstructs airflow, reduces the cooling capability of the cells, and creating an environment conducive to further pathogenic growth.

BIOCELL is a carefully crafted blend of beneficial microbes specifically selected for their ability to degrade organic matter and inhibit the proliferation of harmful fungi, bacteria, and other pathogens that thrive in the moist, nutrient-rich environment of cool cells.

#### **Product Specifications:**

Bacillus Mucilaginosus	78,750,000 cfu/g
Bacillus Subtilis	30,000,000 cfu/g
Bacillus Megaterium	15,000,000 cfu/g
Bacillus Licheniformis	15,000,000 cfu/g
Paenibacillus Polymyxa	5,025,000,000 cfu/g
Azobacter Chroococcum	330,000,000 cfu/g
Pseudomonas Fluoriscens	970,000,000 cfu/g
Lactobacillus Acidophilus	38,800,000,000 cfu/g

#### **DIRECTIONS FOR USE:**

Pre-mix 1 ounce of BIOCELL in a 1 gallon jug of water and shake well. Pour into a mister sprayer / fogger tank and fill with 3 more gallons of water. Set mister fogger on fine mist. Apply to both sides of the cool cells. One ounce covers up to 300 feet of cool cells on 2 sides. Reapply after every flock (long term birds) or every other flock (short term birds).

#### **Storage:**

Store between 40 F and 85 F in a dark place protected from direct sunlight or high heat. Do not allow moisture to come in contact with product that is not being used. If clumping exists, break into useable chunks. The product is still useable and will mix readily with water. Between uses: close the zip lock seal on the pouch completely and then squeeze all excess air out through one way valve to avoid clumping. Do not inhale. Use only as directed.

**Warranty:**

This product is guaranteed to be free of defects of manufacture, production, quality assurance, or other faults, for a period of one year after the date of purchase. If the product is found to be defective, then please return it to the distributor where this product was purchased for a replacement. This guarantee is void where prohibited and/or if this product has not been stored in accordance with instructions listed herein. Due to the many factors that affect performance, Nous Holdings Inc (d/b/a TOMIGUNN) cannot guarantee the effectiveness of this product in use. Any and all warranties of this nature are expressly denied.
