

TOMIGUNN LEMONAIDE

Technical Specifications and Application Instructions

Product Description:

TOMIGUNN LEMONAIDE is an all-natural poultry probiotic feed supplement designed to enhance the overall health and well-being of your birds and boost their productivity.

Enhances Digestive Health

LEMONAIDE is formulated with a premium blend of beneficial probiotics that promote healthy gut flora in poultry. A balanced digestive system means better nutrient absorption, leading to improved growth and development.

Immune System Support

A strong immune system is crucial for poultry to ward off diseases and infections. With LEMONAIDE, your flock will enjoy reinforced natural immune defenses that enhance bird health.

Improved Nutrient Utilization

The advanced probiotic formula aids in breaking down complex nutrients, making them more accessible to your poultry.

Product Specifications:

Non-Plant Food Ingredients:	15.66%
Bacillus Mucilaginosus	73,600,000 cfu/g
Bacillus Subtilis	189,200,000 cfu/g

Bacillus Simplex	61,600,000 cfu/g
Paenibacillus Polymyxa	5,151,000,000 cfu/g
Azobacter Chroococcum	1,030,000,000 cfu/g
Pseudomonas Fuorescens	90,000,000 cfu/g
Other Ingredients:	84.34%

DIRECTIONS FOR LEMONAIDE:

COMMERCIAL USE:

Week 1: Mix 1 oz of LEMONAIDE to 10 gallons water for up to 25,000 birds. Mix 2 oz to 10 gallons water for houses with over 25,000 birds. Distribute using a 1:128 medicator pump. Allow the medicator pump to run until empty.

Week 2 to Departure: Mix 1 oz of LEMONAIDE for every 2,000 gallons of water consumed each week and distribute using a 1:128 medicator pump. Allow pump to run until the entire 10 gallons are used. As you increase the dosage, you can increase the number of days given. For example, if you are dosing 6 oz per week, you can give 2 oz for three (3) times a week.

BACKYARD USE:

Mix $\frac{1}{4}$ teaspoon to 3 gallons of water. Feed birds once or twice a week, as needed.

Storage:

Store between 40 F and 85 F in a dark place protected from direct sunlight or high heat. Do not allow moisture to come in contact with product that is not being used. If clumping exists, break into useable chunks. The product is still useable and will mix readily with water. Between uses: close the zip lock seal on the pouch completely and then squeeze all excess air out through one way valve to avoid clumping. Do not inhale. Use only as directed.

Cautionary Statement:

CAUTION: Do not come in contact with any acidifiers, algaecides, antibiotics, disinfectants, fungicides, or peroxides as they may dilute the effectiveness. If chemicals are used during the growth cycle, start over immediately building the beneficial microbes in the birds. Clean water between flocks using a cleaning agent.

The use of chemicals in the water supply during the time the birds are in the house undermines the goal of providing beneficial microbes to the birds, as it effectively eliminates these beneficial microorganisms.

It is recommended that water lines are cleaned between each flock and thoroughly flushed of any chemicals before bird placement.

NOP Compliant:

LEMONAIDE is compliant with the National Organic Program of the USDA. Bonafide purchasers can receive a copy of the National Organic Program support documentation upon request.

Statement of Guarantee:

LEMONAIDE poultry probiotic is Animal Protein-Free and GMO-Free, aligning with our commitment to providing natural and non-modified solutions. Additionally, our product is Antibiotic-Free and Pesticide-Free, contributing to the overall health and well-being of poultry.

Warranty:

This product is guaranteed to be free of defects of manufacture, production, quality assurance, or other faults, for a period of one year after the date of purchase. If the product is found to be defective, then please return it to the distributor where this product was purchased for a replacement. This guarantee is void where prohibited and/or if this product has not been stored in accordance with instructions listed herein. Due to the many factors that affect performance, Nous Holdings Inc cannot guarantee the effectiveness of this product in use. Any and all warranties of this nature are expressly denied.
